FOR EVERY CHILD... A PLACE TO CALL HOME

The Training for Adoption Competency (TAC) is a nationally recognized evidence-informed, post-Master's training program for professionals in the social work, mental health and child welfare fields. This prestigious training program provides significant benefits for the clinicians who complete the program and their employers. Visit www.adoptionssupport.org to learn more about the TAC program.

BENEFITS FOR CLINICIANS

- ✓ Gain an in-depth understanding of core adoption issues and current clinical tools and evidence-based approaches.
- ✓ Develop advanced skills through clinical case consultation from adoption-competent experts.
- ✓ Demonstrate their enhanced knowledge and skill to clients and agencies
- ✓ Actively introduce and enhance adoption competent practices in their own practices and with their agencies
- ✓ Earn CEUs to fulfill professional development requirements.
- ✓ Receive national recognition in C.A.S.E.'s directory of TAC-graduate adoption professionals.

BENEFITS FOR EMPLOYERS

- ✓ Adoption competent clinicians on staff enhance an agency's capacity while attracting increasing numbers of referrals with a resulting positive impact on revenue.
- ✓ Research shows that adoptive families strongly prefer therapists who have completed specialized training and are adoption competent.
- ✓ Highly trained clinicians experience greater job satisfaction, higher levels of motivation and are more likely to remain in their positions longer.
- ✓ Specially-trained adoption competent clinicians support their agencies in risk management by bringing quality, evidence-based clinical practices to their work.
