Notes: 4 youth have exited foster care to adoption or guardianship this year.

28 Matched **8 Not Matched**

Placed with a Relative Through 30 Days to Family Goal = 70% 2020 YTD

Notes: COVID-19 has negatively impacted our ability to place children with relatives. Prior to the pandemic, we were at a 67% placement rate. We have only had success placing 37% of children with services ending in March-June.

 **16 Placed**

 **15 Not Placed**

Placement Stability Goal = 80%

2020 YTD

Notes: the two youth moving to a more stable living situation exited foster care to reunification!

Child Functioning (CAFAS or CGAS)

Goal = 70% 2020 YTD

Notes: When working with youth in foster care, even maintaining functioning is a huge success. Without intervention, we would see a steady decline in functioning the longer a youth remains in foster care.

Families Licensed through Families United & Jones Family Program Goal = 50% 2020 YTD

Notes: Additionally, 23 families are currently in the training and assessment process and 63 are being supported in their first two years of licensure through the Coalition's programs
